

## Global Christian Library Series – Request Form

The Global Christian Library (GCL) is published by InterVarsity Press (IVP) in collaboration with Langham Partnership International (LPI). The series offers inter-cultural exposition and application of the Christian faith within the framework of the Lausanne Covenant by authors from the international evangelical community at a level accessible to those reading English as a second language.

Three titles are available as of January 2005; twelve additional titles will follow.

**Evangelical Truth**, by Rev John Stott (Britain)

*A lucid and masterly exposition of the Trinitarian essentials of the evangelical Christian faith, and a personal plea for unity against the tendency to fragment.*

**Time for Mission**, by Dr Samuel Escobar (Peru)

*Offers challenging reflections on mission in the twenty-first century, based on the authority of the Bible and drawing insights from a range of disciplines.*

**The Human Condition**, by Rev Joe Kapolyo (Malawi)

*An exploration of a Christian understanding of what it means to be human – a biblical anthropology in the light of both Western and African traditions.*

LPI is offering faculty at our customer colleges ('customer colleges' have an LPI customer reference number for literature programs) preview gift copies of these titles to review for the purpose of using the titles in course instruction. Up to three copies of each title are available at no cost to the faculty member of the college.
